

National Joint Council of Action

4, State Entry Road New Delhi-110055

No. JCA/2014

Dated: January 6, 2015

All Constituent Organisations,
National Council(JCM),

Dear Comrades,

Please refer to my earlier letter dated 24th December, 2014, wherein it was advised that, **State Committees** must have been constituted and dates for the **Joint Conventions** be fixed in all the State Capitals.

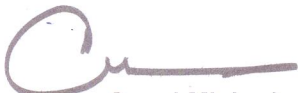

It was also advised that the **Joint State Action Committees** should also constitute **District Joint Council of Action** and position be communicated to the NJCA.

Though we have received information in this regard only from a few states, like **Andhra Pradesh, Telangana, West Bengal and Uttar Pradesh**, from other states, the same is still awaited.

Since **National Joint Council of Action(NJCA)** is going to meeting on 11th January, 2015, it is again advised that position of the remaining states should be communicated to the NJCA well before **10th January, 2015**, so that we could properly appreciate the NJCA on 11th.

With fraternal greetings!

Comradely yours,

(Shiva Gopal Mishra)
